Bass Guitar

At 18 I was one of two drummers in my college Jazz Band when the bass player quit. Myself and the other drummer divided the bass parts between us in time for the National Festival of Music for Youth, so my first gig on bass was the National Theatre closely followed by the Royal Albert Hall. Since then I have been working mostly on keyboards and rhythm guitar and only occasionally picked up a four string until joining Flipside in 2014. For the last year I've been on bass four nights per week playing classic rock and pop to latin and jazz covers whilst singing lead and backing vocals.

Repertoire

Our repertoire as Flipside goes from Tony Bennett to Metallica to Katy Perry to Stevie Wonder.

Gig History

As well as my solo work and one-offs, I've played resident band gigs in **Rodeo Drive**, **Jules Bar**, **The Lodge** and **Double Decker** in Dubai, **Heroes** and **Stars n Bars** in Abu Dhabi, the **Rock Bottom Cafés** in Dubai, Abu Dhabi, Bahrain and Muscat, **Club One**, **Diggers**, **USO** and **The Warbler** in Bahrain, **Cunard Cruises**, **P&O** Ferries and **Haven** camps in the UK.
