Guitar & Keys

I've been playing keys and rhythm guitar with various bands since 1996, starting in the pubs and clubs in the UK and following the work out to the middle east. I prefer hardware to software sound sources and keyboards and modules that offer enough split zones to cover the many sounds used in the studio.

I have played gigs where I got away with playing lead but I would never claim to be a lead guitarist. I am quite comfortable singing lead or backing vocals whilst playing keys or guitar.

Tracks

I'm proficient in MIDI sequencing and recording for backing if needed. Again I prefer hardware solutions, and try to make my tracks sound as live as possible.

Gig History

As well as my solo work and one-offs, I've played resident band gigs on keys and guitar in **Jules Bar**, **The Lodge** and **Double Decker** in Dubai, **Heroes** and **Stars n Bars** in Abu Dhabi, the **Rock Bottom Cafés** in Dubai, Abu Dhabi, Bahrain and Muscat, **Club One**, **Diggers**, **USO** and **The Warbler** in Bahrain, and **P&O** Ferries out of the UK.
